Case No. 17 Cr. 417 (AKH)

192/20

10-26-2020

Honorable Judge Hellersien,

✓ ✓ ✓  
Dr. M. Miller

As I write this letter, I don't have an attorney to represent me at the district court. I kindly ask the court to appoint me an attorney for the following issues:

- 1 I have legal issues that need to be addressed and then resolved in the district court. Some of those legal issues are with my previous attorneys, specifically Mr. Schacht, and were never addressed to the district court prior this letter. Mr. Alaseri Schach was a paid attorney and I fired him.
- 2 I have legal questions that I need answers for
- 3 My rights as an inmate have been violated and I need an attorney to represent me for those violations.

I also would like to inform the court that I tried to reach out to Mrs. Sabrina Schaff from the public defender office, before I wrote this letter, seeking her assistance on some of the issues mentioned above. After delays in responding, Mrs. Sabrina wrote back to me on

how busy she is with the massive amount of cases she handles. In addition the legal issues and questions I have are time sensitive. I also strongly feel if the court appointed Mrs. Sabrina, there will be a conflict of interest between her and my previous attorneys, especially Mr. Schaeft.

I respectfully ask the court to appoint me an attorney that I can comfortably address my legal problems and questions to and have, at least, the security clearance to look into my case with a fair and non-judgmental mind.
